The Hard-to-Stick Surface Solution

DPF 8000 is the ultimate premium film for hard to stick surfaces. A durable film combined with a high tack adhesive system allows you to use one film for all your difficult projects from plastic dirt bikes to textured wall graphics. Apply DPF 8000 with heat on textured wall graphics and it will conform to slight contours and textures easily. Match up DPF 8000 with one of our many laminate options to customize the finish of your hard-to-stick surface projects.
